Looking Through

Author Bio
Sara is senior from Northfield, MA, graduating with a double major in Globalization and Environmental Studies. She also recently saw the light and added a Philosophy minor just in time. When not frolicking in her compost pile or groking sunsets, you will often find her peregrinating between thought-worlds and life-worlds, reveling in incommensurable truths. Her photograph was taken near Dharamsala, India, during her semester abroad in Fall 2010.
