Collaborative Lessons

• Listen and think creatively
• Look for the natural fit to curriculum
• Draw from talent already present
• Discuss a feasible timeline
• Anticipate and facilitate ways for collaborators to balance the expected steps with all the unexpected challenges
  – Communicate progress throughout
  – Address challenges together
  – Celebrate unexpected benefits
• Give credit where credit is due
• Collaboration is synergy – welcome help
• Document successes and lessons
• Learn, enjoy, and build on new collaborative foundations
