### **Biography:**

Henry T. Bream was born on November 21, 1899 to Wilson and Lucinda Trostle Bream. After graduating from the Gettysburg public school system in 1918, "Hen" was admitted to Gettysburg College and graduated with the class of 1924. While a student at Gettysburg Hen was a varsity Athlete; lettering in football, basketball and baseball.

Upon his graduation, Bream was offered a teaching and coaching position at Phoenixville high school. In 1926 he returned to his alma mater as freshmen football and basketball coach and was promoted to head coach a year later. Bream continued as head coach until 1952 when he became athletic director and head of the Physical Education department, a position Bream held until his retirement in 1969. Always quick to lend a helping hand "Hen" coached varsity track from 1932 to 1936 and varsity baseball from 1952 to 1956 until those vacancies in the faculty could be filled. During World War II local area high schools were in need of coaches to keep their programs active. Bream coached the Biglerville high school football and Gettysburg high school basketball teams during this time.

In 1927 Bream married Louise Dougherty and they had two children. Henry T. Bream Jr. was born in 1930 and was nicknamed "Timmy." John D. Bream was born in 1934 and was called "Jack." In 1939 Timmy Bream died from infantile paralysis.

Henry Bream was an active member of his community serving in many organizations. He was active in the Lions Club, the Elk's Lodge, the Good Samaritan Lodge, and the American Legion just to name a few. Bream also served as a liaison between the College and the community, serving on the Community Chest for many years. Bream was an active member of the St. James Lutheran Church and was President of the men's Bible class. While a student at Gettysburg College Bream was a member of Phi Gamma Delta and the Pen and Sword Society. While on the faculty he served on many committees including the financial aid, advisory and curriculum and policy committees. Bream was also on the Board of Trustees as the Alumni Trustee.

"Hen" Bream has been elected twice to the Pennsylvania Sports Hall of Fame, he was an original member of the Gettysburg College Hall of Athletic Honor and honored by the National Association of Collegiate Directors of Athletics Hall of Fame. "Hen" Bream has also received the James Lynah Memorial Award from the Eastern Collegiate Athletic Association.

Bream has left a legacy at Gettysburg College. Known for good sportsmanship, he spread his philosophy to the young men and women who were under his tutelage. He

continued to develop the Health and Physical Education department, establishing the office of sports information and the position of trainer. Bream oversaw the construction of Musselman Stadium in 1965 and the Health and Physical Education building in 1962 which was deservingly named after him upon his retirement. Hen Bream died in 1990 at the age of 90. As the plaque outside of the Bream Physical Education building reads, Henry T. Bream was truly a “Builder of Men.”
