## MS-077: Gladys Kennedy World War II Letters

### Description

This collection of correspondence contains letters from all fronts and from many of Gladys' "sweethearts." It appears that she shipped her address out in the parts she made at the Depot and would get responses from some of the soldiers and sailors. Some of the letters are from soldiers and sailors abroad from her hometown of York Springs, Pennsylvania. Collection includes paperwork from a raise received by Kennedy in 1944.

Special Collections and College Archives Finding Aids are discovery tools used to describe and provide access to our holdings. Finding aids include historical and biographical information about each collection in addition to inventories of their content. More information about our collections can be found on our website <https://www.gettysburg.edu/special-collections/collections/>.
