This poetry is available in The Mercury: http://cupola.gettysburg.edu/mercury/vol2015/iss1/30
Reptilian teeth against my throat,
the sound of doldrums, the smell of ghosts,
a taste for flesh marinated with hope,
these are the creatures that I have known.

Clawing caresses that cut to the bone,
the grunting heat, the ungentle grope,
To be eaten alive or to go on alone?
I climbed in your belly and made it my home.
