Author Bio
Arielle Distasio travels often with her parents. After taking the picture of the locks on the Great Wall of China, Arielle experienced her first soda with a pull tab, beheld the delicacy of roasted pigeon on a stick, and viewed, but luckily did not have to experiment with, the porcelain hole in the ground which is the Chinese version of a restroom. As a first-year at Gettysburg, Arielle thinks that Servo is just fine, but still refuses to eat anything on a stick.
