Author Bio
Maelina Frattaroli is a senior and a double major in English and Spanish. After graduation, she aspires to "find herself," whatever that might entail, and then proceed at some point to graduate school for either an MA. in Spanish or an M.F.A. in Creative Writing, or both. She hopes to travel the world someday: either when she's young and broke or old, retired, and rich. She also plans on consuming ridiculous amounts of garlic for the rest of her life because that's her obsession. She would like to thank Dusty, Kim, and Fred for believing in her and motivating her as a writer.
