Author Bio

My name is Sam Arkin and I am a current Sophomore at Gettysburg college, I have pursued art my entire life and consistently strive to improve my artistic abilities from every angle. All practice I have had in the fine arts range significantly in mediums, subjects and have gradually increased my ability to create pieces of work of which I can be proud. My pieces largely revolve around my past experiences and feelings with regards to different points of my life. I always strive to continue to improve upon my abilities in the fine arts as I strive to make my pieces both physically engaging and profoundly deep.
