Veterans Residing in Adams County, Pennsylvania, 1840-1930

Abstract
The federal decennial census provides a wide-ranging set of data for analysis. The census forms for each ten-year cycle from 1790 until 1930 have been released to the public for access. The tabulations of 1840, 1910, and 1930 contain data relating to the military service of those interviewed by the census enumerator. Compiled here is a list of veterans, listed by Adams County township, who served in the American Revolution, War of 1812, Civil War, Spanish-American War, World War I, or other military actions from 1840 through 1930.

The federal decennial census provides a wide-ranging set of data for analysis. The census forms for each ten-year cycle from 1790 until 1930 have been released to the public for access. The tabulations of 1840, 1910, and 1930 contain data relating to the military service of those interviewed by the census enumerator.

1840 – The census enumerated the names and ages of Revolutionary War and the War of 1812 pensioners. The census schedule for 1840 was designed to cover two pages, allowing for the numerous data fields. The pensioner information was recorded on the second page.

1910 – The census enumerated, on column 30 of the form, veterans of the Union and Confederate Army and Navy. Abstracted were name and age.

1930 – The census enumerated, on column 31 of the form, veterans of the Civil War (1861-1865), the Spanish-American War (1898), the Philippine Insurrection (1899-1902), the Boxer Rebellion (1900), the Mexican Expedition (1916-1917), and World War I (1917-1918). Abstracted were name, age, and war.

Additionally, in 1890 a special census schedule was created containing the names of “Surviving Soldiers, Sailors, and Marines, and widows, etc., persons who served...during the war of the rebellion.” This special schedule, for Pennsylvania, created in June 1890, survived a fire which destroyed the regular 1890 decennial census. This schedule includes unit assignments, dates, and notation of wounds or war-time death. Note that widowhood could have occurred up to 1890, not necessarily from the war. In the case of Adams county, all veterans served in the Union Army.

Abstracting the 1840, 1910, and 1930 veterans was accomplished by using the Internet and the microfilm resources of the Pennsylvania State Library, Harrisburg, Pennsylvania, and the Adams County Historical Society, Gettysburg, Pennsylvania. The 1890 special
schedules were accessed at the Pennsylvania State Library. Certain parts of the various schedules, that of 1910 in particular, are extremely difficult to read. Accordingly, the three sources named above were thoroughly checked and re-checked in an effort to decipher those entries which were questionable.

Following are abstracts of veterans who resided in Adams county at the time of the census enumerations. Names are spelled as they were recorded in the census. The four lists are presented in surname order, within the municipalities of Adams county.
