Author Bio

Christine Heerwagen is currently a senior majoring in a self-designed major in Communication in Visual and Print Media. She spent the spring of 2008 studying abroad in Brisbane, Australia. She would like to say that she did mostly studying while abroad; however, she truly spent the majority of my time traveling throughout Australia as well as New Zealand. The photographs taken throughout her travels were not difficult to take, as the surrounding scenery was completely breathtaking. She hopes to continue documenting her travels through photography and sharing the images with others.
